

INTERNSHIP AT PLH?

Are you one of our new architecture interns?

PLH is looking for motivated architecture interns to be a part of our day-to-daywork in our competition team during the upcoming fall semester.

WE ARE OFFERING:

We can offer you an exciting and challenging work environment where you will be working on one or more of our on-going projects. Experienced architects will make sure that you get the proper professional training, and you will get ample opportunity to try out different skills – from sketching and concept development to 3D modelling, model making and preparation of presentation materials.

WE EXPECT THAT YOU ...:

- Are curious, engaged, responsible and have a positive attitude. You are also ready to take on challenges and develop yourself.
- Are a skilled designer that focusses on functionality and aesthetics.
- Have great interpersonal skills and that you feel safe both working independently and working in teams.
- We would prefer that you are an experienced user of Adobe programs and Autocad – and that you can do 3D modeling in SketchUp and/or Revit.

APPLICATION:

If you would like to be a part of PLH Arkitekter, please send your application to internship@plh.dk and tell us why you are the right candidate for an internship at PLH. Attach your CV and portfolio of relevant projects showcasing your professional skills. Write 'architecture intern' along with your name in the e-mail subject area.

We encourage you to send your application as soon as possible, as we will review candidates on an ongoing basis.
